Warden and Mrs. Fred Beckett Hosts At County Banquet Held Saturday Night

Professor Ralph Campbell,
Guest Speaker — Warden
Was Honoured With Gifts

Representative of practically every
municipality in the County and every
branch of municipal life, three hun-
dred and fifty guests were in attend-
ance at the banquet given by Warden
Fred Beckett, Reeve of Rawdon
Township, in Club Canara, Belleville,
Saturday evening. Included among
the guests were the members of the
Hastings County Council, veteran ex-
Councillors and Wardens, Members
of Parliament, businessmen, promi-
nent professional men and friends of
Mr. and Mrs. Beckett. All united to
pay tribute to Warden Beckett, as a
municipal leader and friend.

The members of the Manse Board
of Rawdon Circuit United Church
served a delicious turkey dinner with
all the trimmings. Rev. Wilbert Cox,
Minister of Rawdon Circuit, gave the
Invocation.

County Clerk-Treasurer Carl E.
Bateman ably acted as master of
ceremonies for the evening.
Address of
Welcome

In his address of welcome, Warden
Beckett expressed his pleasure at be-
ing able to entertain his guests and
spoke of the splendid co-operation
given him by the County Officials and
the members of both the County and
Rawdon Township Councils. Some
important projects, outlined by the
Warden, were the new wing planned
for Belleville General Hospital, cen-
tral jail with adjacent court house,
expansion at Hastings County Manor,
He paid high tribute to County En-
gineer Larry Langlois, who will be
retiring the end of the year.

Responding to the Warden's wel-
come, Reeve Goldie McIntyre, of Hunt-
ing Twp., and Reeve Clayton Hall, of
Thurso Twp., each expressed, on be-
half of the County Council, the plea-
sure of a year's happy association
with the Warden in the Council Cham-
ber. They paid tribute to Mrs. Beck-
ett and family, without whose fine co-
operation, the success of the Warden
of the County, could not have been
achieved.

Varied Programme

Head table guests for the banquet
included Hastings county Judge J. C.
Anderson and Mrs. Anderson; Prince
Edward County Warden, Barney Hep-
burn; Belleville Mayor J. R. Ellis and
Mrs. Ellis; Pictou Mayor Harvey Mc-
Farland; Hastings East MLA Clarke
T. Rollins and W. E. Sandercock,
MLA for Hastings West, and Mrs.
Sandercock.

Approximately 20 former county
wardens attended the banquet and
were toasted by Bancroft deputy
reeve Mrs. Audrey Sexsmith. Earl
Sager, a former Warden, responded.
Entertainment included piano-banjo
numbers by Mrs. Harold West and
Maurice Bell, of Stirling, and vocal
numbers by the Stirling Men's quar-
ter, composed of Jack Bush, Ralph
Johnson, Harry Brown and Grant
Richardson. Mrs. Harry Brown ac-
companied at the piano.

Clarke T. Rollins, MLA Hastings-
East, on behalf of E. Sandercock,
brought greetings from Hon. John
Tasch and the Provincial Govern-
ment.

The toast to the guests was given
by William Shannon, Reeve of Mar-
mora Village and responded to by
Mayor Jack Ellis, of Belleville.

Ralph Campbell
Guest Speaker

Guest speaker for the banquet was
Professor Ralph Campbell, former

resident of the Foxboro area and now
economics professor at Toronto Uni-
versity. Professor Campbell was a
schoolmate of Warden Beckett while
attending Stirling High School.

In a highly interesting talk, Pro-
fessor Campbell told of his two years'
stay in the Holy Land where, through
the Ford Foundation, he served as
economics advisor to the Jordanian
government.

Describing Jordan as a land of
"tremendous bitterness", where the
name Israel is never used, the speak-
er said the country was an under-
developed, low income area where
the average income was but \$200 a
year and much of this depended up-
on foreign aid.

"They have no timber, no oil, and
no minerals. It's a low income
country without natural resources
and completely cut off from the sea."
In addition to this, the country is
two thirds desert, where many of the
people live as they did 5,000 years
ago. There is no rain from March
to October and a whole month can
go by without a cloud in the sky.

Much Food Imported

As a result, the country depends
to a large extent on irrigation to
grow crops but must still import
much of the food for its two million
people, 90 per cent of whom are of
the Moslem faith.

But steeped as it is in Biblical his-
tory, the one real hope of the country,
according to Professor Campbell, is
in its attraction for tourists. Only
through tourists could the country
hope to pay its way.

The speaker told of visits to Beth-
lehem and Jerusalem, the Mount of
Olives and to Dothan where Joseph
went to look for his brother and was
sold into Egypt.

Professor Campbell said it was a
real experience to visit Dothan where
American archaeologists have dug
their way down through 19 different
villages, built one on top of the
other over thousands of years.

Pot Very Old

While Professor Campbell and his
family were there, they saw an earth-
en pot uncovered as old as Solomon,
950 years B.C.

But despite their poverty, the desert
Arabs of Jordan are the epitome
of hospitality, although some of their
eating customs are a bit hard for the
uninitiated to take.

Professor Campbell prefaced his
talk with a brief history of the Holy
Land which he said had lost touch
with the Western world since the
time of Christ.

Sidney township Reeve Ernest
Kells introduced the speaker, with
appreciation being expressed by Ma-
dock Reeve Thomas Burnside.

Gifts Presented To Warden

County council's gift to the Warden
was a handsome, leather upholst-
ered rocking chair, while Rawdon
township council presented him with
a set of door chimes. Rawdon Town-
ship employees presented him with a
matching wallet and key case. Mrs.
Donald Rodgers, wife of Reeve Rod-
gers, Stirling, presented Mrs. Beckett
with a bouquet of red roses on behalf
of the County.

The thanks to the ladies was ex-
pressed by Reeve William O'Brien,
Mayor of Volant, and by Mrs.
Raymond McConnell replied.

The singing of "Auld Lang Syne"
brought a memorable evening to a
close.

Won Draw At Plowing Match

Harold Bush, Stirling R.R. 4, held
the winning ticket at a draw held at
the International Plowing Match at
Milliken recently. He was the win-
ner of an "A" 19-inch lawn mower by

shipped to O. T. Seeley, local dealer,
last week.

Church Service
Sunday Morning
On Sunday, November 7th, the

111th Anniversary Services Held At St. Andrew's Presbyterian Church

Rev. Dr. George Douglas,
of Knox College, Toronto,
Speaker at Both Services

Both morning and evening Ann-
iversary Services were held at St.
Andrew's Presbyterian Church, Stir-
ling, on Sunday last, with Rev. Dr.
George Douglas, from Knox College,
Toronto, as guest minister.

At the morning service, special
music was provided by the Senior
Choir, under the direction of the or-
ganist, Mrs. H. Morrow, and the Ju-
nior Choir, under the direction of Mrs.
Sheldon McIntosh. Mrs. W. Warren,
as guest soloist, sang "Holy Art
Thou", by Handel.

Dr. Douglas expressed his apprecia-
tion for being invited to this com-
munity and to St. Andrew's to be a
part of their Anniversary Services.
He chose as his text verses 1 and 2,
1st chapter of Hebrews: "God, who
at sundry times and in diverse man-
ners spake in time just unto the
fathers by the prophets, hath in these
last days spoken unto us by His Son,
who He hath appointed heir of all
things, by whom also He made the
worlds".

Mr. Douglas stated that there are
many different ways in the Bible that
God speaks to us. It is not so im-
portant how He spoke but it is important
that He did speak. He did act. He
did create. If He had not done these
things, there would be no world, no
people, no Saviour. There would be
nothing. A stark way of expressing
the truth perhaps, God is able to
make from nothing, that which he
wishes. God continues to create and
guide even today. He is the Great
Creator and Redeemer of all people.
He will redeem us if we only live
with Him. Dr. Douglas stated that
this anniversary season was a good
time to renew our vows with Our
Saviour.

Evening Service

At the evening service, music was
provided by the Senior Choir, singing
"With My Whole Heart", and Mrs.
Glen Flood sang, "Come Unto Him",
an air from the Messiah. The minis-
ter chose as his sermon text, from
the 15th verse, 3rd chapter of 1st
Timothy, "But if I tarry long, that
Thou mayest know how then ought-
est to behave thyself in the House of
God, which is the Church of the living
God, the pillar and ground of the
truth".

Tom Kovach Bowls 435 Game

While bowling on the Friday Night
Mixed League at the Stirling Bowl-
o-Drome, Tom Kovach barely missed
bowling a perfect game. In the first
frame, he got a spare and then bowled
11 consecutive strikes for 435. His
other two games for the evening were
314 and 228 for a 977 triple.

Ray Poste presented Tom with
his trophy for his effort. By the way, this
brought Tom's average for the season
up to a very enviable 273.

was necessary to split into a begin-

advanced group meeting on Wednes-
day. This makes it possible to ac-
commodate a few more in each sec-
tion if others would like to start next
week.

HIGH SCHOOL SPORTS

(by David Faulkner)

On October 27th, Stirling's Junior and Senior Football teams played in Campbellford. The Juniors played a good game but were defeated, 8-6. Gary Richardson scored the touchdown for Stirling.

The Seniors lost, 8-0. This makes it impossible for Stirling to win the Bay of Quinte Championship, but they still have a chance to win the Central Hastings Trophy. Stirling's defense played a very powerful, hard-hitting game and Campbellford got only 1 first down the first half of the game. Stirling was on Campbellford's 1-yard line on two occasions but could not score.

The Golden Hawks play their final game in Stirling on November 9th against Tweed.

**To The Housewives
of Hastings Frontenac**

When the original Dependents Allowance Act was passed, provision was made for the payment of an Allowance for Children, but no provision was made for the housewife and mother who look after the home and the children.

This is an omission which I will correct by sponsoring, if I am elected on November 8th, a Bill for the payment of a Housewife's Allowance of \$20.00 per month in addition to the allowance now paid for children.

Regardless of how other members of the family may vote, each housewife in Hastings-Frontenac should support the Housewife's Allowance. A VOTE for ROY CADWELL means a vote for a Housewife's Allowance of \$20 per month for the housewives of Hastings Frontenac.

Yours faithfully,

**Roy Cadwell

Let's Talk Common Sense...

In this election, as in the 1963 election, the Liberals are making promises to the voters of Hastings Frontenac that they have no intention of keeping.

You remember in 1963 they promised to keep the uranium mines in Bancroft open if they were elected. The Liberals formed the Government. Are the mines open? No, despite opposition from the Progressive Conservative Members of Parliament and the pleas of civic leaders, the mines were, and remain, closed.

They promised, if elected, to provide 10,000 scholarships for Canada's youth. Have they? No!

They promised free milk to elementary school children as an aid to dairy farmers. Have they? No!

So much for the Liberal promises. This year the Liberal candidate is promising as part of a programme what he calls the "Housewife Allowance." It sounds good. Twenty dollars a month for every housewife in Canada.

I find it amazing that he can promise this, in supposed sincerity, when his party voted against an increase in the old age pensions, because, as they said, the country could not afford it.

LET'S TALK COMMON SENSE. To increase the old age pension to \$100.00 a month as proposed by the Progressive Conservatives would cost the Canadian people \$300,000,000.

To initiate this "Housewife Allowance" would cost more than **three times as much.** That's right more than \$1,000,000,000.

LET'S TALK COMMON SENSE — If they in one breath cannot afford \$300,000,000 — how can they afford \$1,000,000,000?

Easy — The Liberal Party has, like their other promises, no intention of initiating a "Housewife Allowance." It is only another election promise.

I believe the people of Hastings Frontenac like the rest of the Canadian people deserve more than promises. You deserve an honest, realistic government.

What I have told you I would do, if elected, I have done. I ask that you look at the record.

I have been able to do this because what I, and my party promise is based on common sense.

For Common Sense Government ...

ACTION SPEAKS LOUDER THAN PROMISES

Since 1963 the Constituency of Hastings South was mentioned, time after time, by the local, national and international news media. It always appeared along with the name of its active MP Robert Temple.

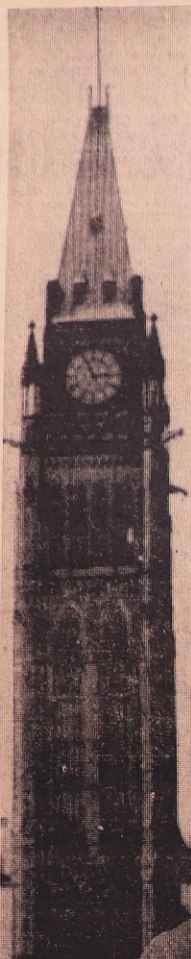

Now it is commonly known that Members of the Press which includes newspapers, radio and TV are dedicated to duly recognize and report events of interest, the places and people they concern.

So it is apparent your Member of Parliament in the last government at Ottawa said and did a great deal — both in the interest of Hastings South and its citizens. It appears from the publicity below that Hastings South has benefited in many ways from Robert Temple's positive representation and that he, as your MP, is destined to play an even more productive role in the affairs of his constituents and riding in future governments.

All of which adds to the Many Reasons why

ROBERT TEMPLE SHOULD BE SENT BACK TO OTTAWA TO CONTINUE POSITIVE VIGOROUS REPRESENTATION

The Impressive Spokesman for Hastings South in the Parliament of Canada prompted wide press comments editorials and clippings. Here is more proof of Active Representation.

THE BIBLE TODAY

August the first marked the completion of the first hundred years since the printing of the first Yoruba New Testament. The churches of Nigeria held special services on that day to mark this event.

It was a slave boy who became one of the first African Bible translators. Sold four times from one trader to another, this young Nigerian lad eventually came under the care of a Christian schoolmaster. Soon he

longed to return to his own people to share with them the Good News of Jesus Christ, and the new life he had found.

After many adventurous years he did return to Nigeria. His Yoruba, even after twenty-five years, was still fluent. He was possessed with the necessity of providing the Scriptures in the Yoruba language. Among his other duties, for he was now Bishop Samuel Adjal Crowther, he found time to devote to the translation of the New Testament. This was printed by The British and Foreign Bible Society in 1865. Today more than 1½ million copies of the Yoruba Bible have been sold in Nigeria.

Song of The Lazy Farmer

If you don't think humanity is just as queer as it can be, just read your daily paper through and see the crazy things folks do. Seems every-one is worrying for fear some new and awful thing, like atom bomb or dread disease, will kill them sooner than they please. And still, if what I read is so, them folks are rushing to and fro a-meeting death in accidents because they do not drive with sense; or else they take a slug of pills to cure imaginary ills, then slam around the whole blame night and wonder why they don't feel right.

Why should we do things in a rush, with sweaty brow and face that's flush? It seems to me the world's berserk, the way most people like to work and stew and fret until they're sick, no wonder ulcers are so thick. There's nothing ails the world today that can't be treated best my way, if ev'ryone would just shown down and not go running off to town or get up at the crack of dawn to wear out both their brains and brawn. I never heard of any war that started at a kitchen door between two fellows full of pie who only want soft spots to lie.

Capacity Audience Attends High School Commencement Friday Night

Miss Mildred Morton, Former Student of School Was Speaker For The Evening

(R. W. Camm)

Vacant seats were few in number in the Stirling Theatre on Friday night last on the occasion of the annual Commencement Exercises of the Stirling-Rawdon District High School. Parents and interested friends were on hand to offer congratulations to students receiving diplomas for courses completed in Grades 12 and 13 and awards for achievement in school subjects, public speaking and athletics.

Mildred Morton Guest Speaker

A native of Rawdon Township and a one-time student of Wellman's Public School and the local high school, Miss Mildred Morton, daughter of Mr. and Mrs. Burton Morton, returned to her alma mater as guest speaker. She is now a graduate student in Cornell University, Ithaca, N.Y. This youthful and talented speaker held the attention of the students and all others in the audience by her thoughtful speech about the crisis in higher education in Canada. Miss Morton mentioned the concern that university students of the present are showing towards educational problems, and she hoped that other citizens were as vitally involved. Reference to the National Student Day, October 27, revealed that serious students at our universities were not willing to ignore the present crisis. What is to be done about inequalities of educational opportunity, when it is a well-established fact that a student living in a university can attend university so much more cheaply by living at home than other students not similarly located? The speaker mentioned the value of taking advanced courses now that automation has removed so many of the more routine jobs.

How Canadians fare in regard to chances for educational growth was contrasted with the opportunities that people of other countries have. Miss Morton quoted from the Bladen Commission as follows: "The chance that a child born in 1945 will enter university is one in three if he is a citizen of the United States, one in six if he is a Canadian, one in nine if he is an Australian, one in twelve if he is French, and one in twenty if he is English." But lest we Canadians be tempted to be self-complacent, the speaker reminded us that we lagged far behind the United States in educational opportunity. Our backwardness is emphasized by the fact that capable Canadians in many cases cannot enter some courses like dentistry as facilities and teaching personnel are in short supply.

Mr. Dennis Heasman introduced the speaker, and Mr. Eric McInroy, vice-president of the Student Council conveyed the thanks of all those in attendance to the speaker for her interesting address.

This year's valedictorian, Miss Janet Johnston, daughter of Mr. and Mrs. James Johnston, presented her speech in a convincing and charming manner. Janet has chosen teaching as her career and is a busy student at Peterborough Teachers' College. It was a pleasure for her to have her uncle, Mr. Lorne Johnston, of Toronto, her grandmother and her aunt on hand for her graduation. This same family interest in the Commencement programme was repeated in several other instances.

Loyalty to his high school caused Firth Bateman, one of those who had earned an honour graduation diploma, to be unwilling to miss Commencement despite a mix-up in transportation arrangements. Firth, now at York University, to his keen disappointment arrived late, but he got there and will have a tale to tell for some time to come about his "police cruiser ride".

Probably one of the distinctive merits of the smaller high school unit such as ours in Stirling is that it allows for a more personal relationship between students and their families, teachers and citizens in events such as Commencement. Friday night's ceremony exhibited a friendly "family" atmosphere that is impossible in the very large secondary schools found in so many places.

Members of the teaching staff and school board and other citizens assisted.

IN FLANDERS' FIELDS

In Flanders' fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly,
Scarce heard amidst the guns below.

We are the dead,
Short days ago we lived, felt dawn,
Saw sunset glow,
Loved and were loved and now we lie
In Flanders' Fields.

Take up our quarrel with the foe,
To you from falling hands we throw
The Torch — be yours to hold it high;
If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders' Fields.

Lee Grills Leads In Hastings South

Service Vote To Be Counted Sat. Will Decide Issue — Present Majority Is 719

Monday's election left the declaration of a winner in Hastings South in abeyance until the armed service vote is known.

A 79.9 per cent turnout of voters gave Lee Grills, Progressive Conservative candidate 14,556 votes with Liberal Robert Temple receiving 13,837; a Grills margin of 719 votes. N.D.P. candidate, Thorold Hoskin, polled 1,284 votes.

The figures of the armed services vote will be released at 11:00 a.m. Saturday. The armed services swung the tide to Temple in the 1963 elections. They gave him a majority of 598 to overcome the Grills "home" lead of 45 votes. This year the service vote is considerably higher than it was in April, 1963. This year it will probably run in the neighbourhood of 1,500 votes as compared to 1,175 in 1963.

The two political stalwarts battled to the last ditch at the Belleville polling booths. They took it down to the wire with Grills polling 7,132 votes as against 6,937 for Temple, a difference of 195 votes.

In the 1963 elections Grills had a Belleville majority of 318.

Mr. Grills posted majorities in seven of the eleven constituency polling centres, a decrease of one over 1963. This was Hungerford which gave Temple a majority of 11 as against a Grills' majority of 190 in the last election.

Mr. Grills cut in the Trenton town, a Temple majority of 1963 when the Liberal polled a majority of 699 as against 167 on Monday.

The Trenton RCAF Station also noted a Temple majority decline, giving him a 201 lead as against 452 in 1963.

Grills polled increased majorities in five of the remaining centres while cutting the Temple majority in Tweed from 46 to 29.

Sidney gave the P.C. candidate an increased majority of 119; Stirling 12; Frankford, 14; Tyendinaga 59 and Deseronto 50. Thurlow reduced the 1963 Grills majority by 134 votes.

STIRLING VILLAGE

The south half of Stirling gave Mr. Grills 169 votes and Mr. Temple 72, for a Conservative margin of 97. Hoskin, N.D.P. candidate, polled 1 vote.

MR. AND MRS. MAURICE WHITMORE

Whitmore -- Wannamaker Wedding

Bronze and gold 'mums adorned the altar of St. Paul's United Church, Stirling, on Saturday, October 30th, when Sandra Diane Wannamaker, daughter of Mr. and Mrs. Leonard Wannamaker, Stirling, was united in marriage to Maurice Melbourne Whitmore, son of Mrs. Wesley Whitmore, and the late Mr. Whitmore, of Belleville.

Rev. J. Bruce Small officiated at the double-ring ceremony. Mrs. Harry Brown presided at the organ and accompanied the soloist, Mrs. Bruce Glendinning.

Given in marriage by her father, the bride wore a beautiful floor-length gown of silk faille with scoop neck and lilly-point sleeves, complimented with a band of French Alencon lace circling the waist, with appliques of the same lace down the front and hem of the bouffant skirt, with a slight train flowing from a bow at the back. She wore a tiered, shoulder-length, tulle veil flowing from a floral headpiece. She carried a cascade bouquet of red roses and white baby carnations.

The maid of honour, Miss Nancy Hay, of Toronto, wore a floor-length, sheath gown, with light beige crepe skirt and Empire-style bodice of gold brocade taffeta and a train of the same material fell from a bow at the shoulder. Her shoes were of the same shade. She wore a wedding ring head-piece of matching material with gathered veil at the back, and carried a cascade bouquet of bronze 'mums.

Miss Marilyn Anderson, Toronto, and Miss Eva Whitmore, Belleville, sister of the groom were similarly attired in green and carried cascade bouquets of gold 'mums.

Mr. Jim Tanner was best man and Mr. Mike Culhane, Belleville, and Mr. Wayne Wannamaker, Stirling, brother of the bride, were ushers.

The groom and his attendants wore black pants and white dinner jackets.

The reception was held in the Church parlours. The mother of the bride received the guests wearing a two-piece cranberry ensemble of pure silk with matching velvet hat and black accessories and corsage of white-tinted carnations. Assisting was the groom's mother, dressed in a turquoise blue ribbed silk dress with matching jacket, black accessories and a corsage of pink and white carnations.

The bride's table was appointed with a white damask cloth, centred with a three-tiered wedding cake, topped with bells, lilly-of-the-valley and white doves, surrounded by white tulle and flanked by white dove candle-holders and pink candles. The bridal flowers completed the setting.

Mr. Jim Tanner acted as master of ceremonies. Mr. Jim Stobbart, Belleville, proposed the toast to the bride, to which the groom replied.

Hastings County Historical Society Convened at River Valley School

(By Mrs. Percy MacMullen)

Seventy people from the surrounding area convened Monday evening, October 18th at River Valley School House for the regular monthly meeting of Hastings County Historical Society.

Mrs. Roy Bush, Tweedsmuir Curator, and Mrs. Roy Tucker arranged a display in the school room which consisted of articles used in former days for washing and ironing, numerous photo albums and group pictures, velvet table covers, a child's dress, a shawl manufactured at Frankford Woolen Mill, books, newspapers, kettles, chairs, etc.

The main attractions beside all the washing paraphernalia was the large model of a trough roofed house made for Stirling Centennial in 1958 by Mr. J. B. Belshaw.

Tweedsmuir History Books On Display

On a large desk at the back of the school room Mrs. Roy Tucker was in charge of the display of the two River Valley Tweedsmuir History Books. One contains the first fifty years and the second one was started in 1960. Many folk availed themselves of the opportunity to enjoy past history.

The school teacher, Mr. G. Bennett, drew a map on the blackboard of the various concessions in Sidney Township depicting the River Valley community which stretches from Oak Lake to Stirling Village and along the Frankford Road on Highway 33.

Guests were in attendance from Belleville, Rossmore, Bentley's Corners, Foxboro, Chatterton, Melrose, Wallbridge, Aikens, Wellman's, Stirling and the River Valley area.

President Thomas Ranson, Belleville, presided over the general business and Mrs. Sheldon McIntosh was pianist for the opening exercises.

Mrs. George Bennett, Belleville, presented her report.

The president displayed several magazines which showed interesting pictures of historical scenes; also articles in two magazines in which mention was made of the Hastings County Museum; also pictures of historical landmarks of the Quinte district were pictured. Mrs. Jack Sargent, Curator of the County Museum, showed a copy of "The Quinte Tattler," which is just off the press.

Mrs. Sargent also gave a full report of the recent workshop of the Quinte Museum Section of the Ontario Historical Society at Upper Canada Village. The three delegates from Hastings County Historical Society were Mrs. Bennett, Mrs. Williamson and Mrs. Sargent.

The two main speakers were Mr. Archie Key, Field Director of the Canadian Museum Association, and Mr. Allen Douglas of the Hiram Walker Museum. They stressed that small museums should have a special field for collection of articles and not to accept unrelated and inappropriate donations. These men stressed that 89 percent of the museum work should be in the

educational field where tours were conducted, speeches and displays of an informative nature given, and co-operation with teachers and schools in arranging exhibits of pioneer artifacts that tie in with the history and geography of the curriculum. The remaining work should be in preserving local history.

Two of the delegates enjoyed a ten hour with Mrs. Minihnick, Consultant on interiors for Upper Canada Village and Miss Marjorie Desette, Curator of the Village at their staff house. The consultant stressed that the Victorian period from 1880 to 1890 would be the ideal speciality in Hastings County as those were boom days in Hastings County and there are many artifacts of that period still in existence.

Mrs. Minihnick suggested that one room for school exhibition purposes should be done in early Canadian furniture and the possible aim should be for a restored Victorian house for general exhibition to the public.

The three delegates attended several demonstrations of pioneer spinning, weaving, domestic handicrafts, agricultural methods and pioneer industries and Mrs. Sargent voiced thanks to the executive members for this honoured privilege to attend this educational workshop.

The president announced that the Museum had reached the 1,000 attendance mark. He also gave a list of recent donations received.

Charles B. Pearce Guest Speaker

Mr. J. B. Belshaw introduced the guest speaker, Mr. Charles B. Pearce, who has resided during the past four years in the River Valley area following his retirement in 1961. He was a representative for a large manufacturer of washing machines and was commonly called a traveller who established dealers and taught them how to sell washing machines. Mr. Pearce began his duties with the Westinghouse Company in 1926. Mr. Belshaw also mentioned that in his own early teens he had fashioned a cradle washer for his mother from galvanized material.

Mr. Pearce based his address on "The History of the Electric Washer." He first displayed some old electric appliances which included an original Westinghouse toaster manufactured in 1914, as well as some of the first irons.

Mr. Pearce stated that the electric washer was the first major appliance to be generally accepted. This was followed by the electric range, the refrigerator, the water heater, the electric ironer, the freezer, the clothes dryer and the dish washer.

The first really successful electric appliances were small ones, the iron and the toaster. Today we have at least twenty small appliances in common use.

There is also the entertainment section with radio, television and record players of various kinds. All of these are available to us as a result of mass production methods.

Perhaps the toughest single job a housewife ever had was washing clothes. Years ago someone invented the washboard made of wood, usually rock maple and these sold for 15 cents, but in the 19th century that was a lot of money.

The wood boards wore out quickly and then followed zinc, brass, enameled steel or glass and all of these were guaranteed to rub the skin off the housewife's knuckles before a big wash was finished.

In 1871, the first washing machine was put on the market in the United States. This was a hand-operated device and soon after they were placed on the Canadian market.

Then early machines were usually developed by a man working in his home workshop and if his machine was successful, he became a manufacturer and named the machine. Thus the early washers bore names like Maytag, Coffield, Beatty and others.

Then came metal tubs, copper, zinc, galvanized iron and lastly porcelain enamel.

Somewhere along the line came the realization that volume production was needed in order to keep down

costs. Thus there needed to be sales volume and a new idea of selling and sales promotion was inaugurated.

Mr. Pearce outlined the cost of tools needed for mass production and he graphically pictured how a shirt for a washer was invented and later a \$40,000 machine was manufactured to make these shirts. This machine was of no use whatever for anything else. The first machine rolled on a skirt every two minutes and then this new machine rolled out 100 skirts every hour, which shows what progress can accomplish. The speaker displayed several illustrations of old washers which were manufactured in 1909 and 1911. An old catalogue issued by a firm in Hamilton at the turn of the century showed nine different hand-powered machines and three with water power motors. Another catalogue issued in 1912 by a firm in St. Mary's, Ontario, featured wringers.

The old-fashioned wringers were a big help to the weary housewife but they had no safety releases and there were many accidents. Mr. Pearce cited several incidents of accidents with the family cats.

In 1949, a contest was offered at the C.N.E., Toronto, for the oldest antique electric washer still in use and there were many old machines offered. The prize was a new machine. The photographs which he displayed were of interest. The winner had a machine made in 1910 and it had been used 40 years by a doctor's wife in the city of Toronto.

In the speaker's opinion, history is people, rather than things, old houses, old vehicles, old tools and the interesting part is who built them and who used them. The electric washer as we know it today appeared on the market in 1925 and as modern production methods developed the specialty salesman came on the scene. There were two classes: the Manufacturer's Representative, who was commonly called the Traveller, and he established dealers around the country and taught them how to sell washers; then there was the "Re-Sale Man", who worked on a commission and spent a few weeks in each town. The speaker gave a vivid glimpse of a dozen or so of these characters and told how these "high pressure boys" really sold washers.

Mr. Pearce closed with interesting stories of promotion sales when the manufacturers gave away sets of dishes and mix masters with their washers and lastly they used and lastly they used a special Christmas promotion with yards of red satin ribbon. In all the jobs the Manufacturer's Representative comprised a lot of hard work and many good friends throughout the years.

Mr. Roger C. Greig, of Bentley's Corners, voiced thanks for the informative and interesting address.

Door Prize
As a special door prize his former company provided a new three pound automatic steam iron and later the names of all the guests who were in attendance were deposited in an old wooden pail, with Mrs. Jack Bush be-

ing the winner.
History of
River Valley

Mrs. Roy Bush welcomed all to River Valley and extended thanks to Mr. G. Bennett for his map and to the editor of the Stirling News-Argus, Robert Hulin, for publicity. She gave a graphic picture of the first settlers who came to the Valley probably the Rosebush, Richardson and White families, as the names still are familiar. Point and White's Eddy. A large white house of by-gone days in the Valley, was the first house to be painted. Some of these farms have had seven generations residing on the property. One old home still in use has the wide boards of pioneer days. River Valley community has two summer resorts along the Trent River, "Bona Vista" and "Rainbow Fishing Lodge". There is a modern Riverside Construction Plant; Shamrock Cheese Factory and Mallory's Appliance Plant. The Trent River is noted for its good fishing and the Oak Hills for its scenic beauty and the new airfield.

Years ago there was a grist mill at Sager's Corners and a wooden pump factory on Pig Street, now renamed River Valley Road.

Part of the old footpath from Stirling to Belleville is still in evidence and several men have walked that distance to attend church or get provisions.

An old register at the Sager School states there were 65 pupils in attendance that year. Later, when the present school was built, in 1881, on a different site, it was renamed River Valley School. At that time it was dedicated as a church and a school, where Sunday services and funerals were held until motor cars replaced the horse-drawn vehicles. The River Valley Pioneer Cemetery near the school is another landmark of early days. The speaker told many interesting items about the early settlers and how resourceful the older people were. They used what they had at hand and most of them toiled very hard for their daily living.

Mr. Ranson voiced appreciation to Mrs. Bush for her colourful description of River Valley community and remarked that she was "a walking encyclopedia of history".

At the conclusion of the meeting, the River Valley Women's Institute served refreshments under the sponsorship of the president, Mrs. Glenn Bush; the group leaders, Mrs. Jack Bush, Mrs. Norman Rosebush, and their committee.

warm welcome to all present. Roll call and a short business session followed.

The Devotional period was led by Mrs. Gordon Richardson. The hymn, "For the Beauty of the Earth" was sung, and the offering gathered and dedicated. This period closed with prayer.

The Mission Study on Brazil was introduced by Mrs. Edwin Richardson. A description of the country and people began this study, and some of the challenges to be met by the Church were discussed. So many opportunities for service exist in this country, and many of the people need the help of missionaries, and the prayers of us all, to open up new ideas of service they may carry out themselves.

MR. AND MRS. WILLIAM BARRY CRAWFORD

Crawford -- Heath Wedding

St. Paul's United Church, Stirling, was the setting for a lovely wedding recently, when Donald Elaine Heath, daughter of Mr. and Mrs. Donald W. Heath, Stirling, was united in marriage to William Barry Crawford, Toronto, son of Mr. and Mrs. James C. Crawford, of Picton. Rev. W. C. Cox officiated at the double-ring ceremony before a background of yellow and bronze mums.

Mrs. Harry Brown, of Stirling, presided at the organ and accompanied the soloist, Mrs. Bruce Glendinning in two appropriate selections.

Given in marriage by her father, the bride wore a floor-length gown of white peau de soie, highlighted with Alencon lace. The lace bodice featured a scoop neckline and long lily-point sleeves and the A-line skirt was enhanced with an apron front of matching lace with a band of lace outlining the Empire waistline. A sweeping train, edged with scalloped lace, flowed from the back of the skirt. The shoulder-length, tiered, scalloped illusion veil fell from a crown of sapphires and pearls. The bride wore a gold necklace worn by her late grandmother, Mrs. Mildred Walker, on her wedding day. She carried a double-ring bouquet of yellow Sunbeam roses mingled with stephanotis.

Miss Helen Wright, of Millbrook, as maid of honour, wore an autumn gold floor-length dress of peau de soie, highlighted with a fringed Watteau

train. The bridesmaids, Miss Loretta Greer, of Port Hope, Miss Janice Taft, of Ameliasburg, and the junior bridesmaid, Miss Linda Walker, cousin of the bride, were identically attired to the maid of honour, but in emerald green. All wore matching Ann Boleyn type headresses with bouffant veils and each carried a bouquet of white and gold-tinted carnations.

Mr. Roger Crawford was the groomsmen for his brother, while the ushers were Mr. Ronald Heath, Guelph, cousin of the bride, Mr. Larry Huff, Belleville, and Mr. William Hill, of Peterborough.

A reception for 145 guests was held in the hall at St. Paul's United Church. The bride's mother received the guests wearing a floor-length gown of greenish gold brocade peau de soie with mink stole, matching hat with gold net veil and a corsage of yellow roses. She was assisted by the bridegroom's mother, who wore a floor-length gown of ruby peau de soie with matching hat and veiling, fur stole, and a corsage of white gardenias.

For the honeymoon trip to the Pocono Mountains in Pennsylvania, the bride donned a brown and tangerine check wool suit, trimmed with fox fur, cocoa and dark brown accessories and a corsage of yellow Sweetheart roses.

Mr. and Mrs. Crawford will reside in Scarborough.

Wellman's United
Church Women

On Tuesday, November 2nd, at 2 p.m., thirteen members and two visitors met at the home of Mrs. Burton White for the regular meeting of Wellman's United Church Women.

Mrs. Dracup opened the meeting with a hymn and all repeated a prayer. Mrs. Gerald Clancy led the worship service, beginning with a hymn. Mrs. Seeley read the Scripture. Mrs. Clancy gave some thoughts, using the theme sacrifice, and closed with prayer and a hymn.

The roll call was answered with a Bible verse containing the word "sacrifice".

An invitation to attend St. Paul's Annual Christmas Bazaar in November was received; also a newsletter from the Victor Home.

Mrs. Bryon Seeley and Mrs. Ron Hadley were appointed to make the necessary plans for the sale at Hoards on December 13th.

The nominating committee presented the slate of officers with two vacant offices. These were filled and the officers are now ready for installation at a later date.

Rev. Cox gave a brief message, using a flip chart. The members were asked to analyze themselves as to stars, bullys, clinging vines or turtles, who hide their heads under cover.

Each had to agree they had some of the four faults, but Jesus Christ, the perfect one, had none of these, and we are to strive to be like Him.

Mrs. Seeley gave a reading, "If". Mrs. Fleming conducted a contest on the books of the Bible.

Rev. Cox closed the meeting with prayer.

MR. AND MRS. KENNETH SAGER

Sager -- Morgan Wedding

A double-ring ceremony took place in Udney United Church, when Karen Anne Morgan, daughter of Mr. and Mrs. Cecil Morgan, of Udney, was united in marriage to Kenneth Allan Sager, son of Mr. and Mrs. John Sager, Stirling. The date was September 25th, 1965, at 3:30 p.m., and the officiating clergyman was Rev. R. B. Scott. The altar was appointed with yellow gladioli and bronze chrysanthemums. The soloist was Mrs. E. Smith, of Barrie, and the organist was Miss M. MacDonald, of Udney.

Given in marriage by her father, the bride was exquisite in a full-length gown of white peau de soie with bateau neckline and three-quarter length sleeves and featuring a full-length, floating back panel. Her headpiece of orange blossoms held a shoulder-length, bouffant veil of silk illusion. She carried a semi-cascade bouquet of Talisman roses and yellow mums.

The bride was attended by Miss Jean Hoyle, of Orillia, who wore a full-length gown of gold silk brocade with green floral design. Her headpiece was of gold illusion net. She carried a short cascade of bronze and yellow mums.

A cousin of the bride, Laurie Anne Morgan, of Udney, was ring bearer. Her full-length gown was of gold silk brocade with silver floral design. The cushion she carried, which bore the rings, was of the same fabric as her gown. Her headpiece was fashioned of gold illusion net.

Mr. John Sager, of Brampton, attended. His brother, Ushers were Mr. Howard Morgan, of Udney, brother of the bride, and Mr. Francis Sager, of Stirling, brother of the groom.

For the reception at The Sun Dial Motor Inn, Orillia, the bride's mother

Municipal Officials To Form Body

Formation of a clerks' and treasurers' association, made up of township and village representatives, appears likely following a meeting at the Hastings county administration office Wednesday.

At the meeting a special committee was appointed to draft a constitution and act as a nominating committee. Committee members are Lloyd Price, of Elzevir township, chairman; Byron Harder, Sidney; Clayton Wright, of Huntingdon, and Lindsay Pollock, of Stirling.

Mrs. Fred Petherick and Mrs. Minnie Morton spent last Thursday with Mrs. Ida Grills and family, English Line.

Mr. and Mrs. Dick Morton, Mr. and Mrs. Wilfred Spencer and Mr. Richie Melkijohn were guests of Fred Beckett, Warden of Hastings County, at the Warden's Banquet at Club Canara, in Belleville, on Saturday evening.

Ellis Jones was re-admitted to Campbellford Hospital on Friday after a brief stay at home.

Agnes McKeown, of Belleville General Hospital spent two days last week with her father, Tom McKeown in Campbellford Hospital, following surgery on Monday. Paul McKeown, of Maple spent the week at home. Mr. McKeown returned home from hospital on Friday.

Wm. Morton Sr. and Bob spent the week end at Oakville, where they visited Mr. and Mrs. Bill Morton Jr. and children and Mr. and Mrs. Ed. Stephens and girls.

Mr. and Mrs. Jack Spencer and boys were Sunday supper guests of her parents, Mr. and Mrs. Harper

Bateman at Spring Brook.

Mrs. Ellis Jones was an overnight guest of her niece, Mrs. Clarence Thompson, her husband and family on Saturday and Mrs. Philip Sheaff, her husband and family, at Crowe Bay on Sunday.

Mr. and Mrs. Wally Jackson and family and Mrs. Doug. Bedore and children, all of Oshawa, spent Sunday here with their parents, Mr. and Mrs. Fred Petherick, and visited Mr. and Mrs. Roly Jackson and family, at Spring Brook.

Hallowe'en went off fairly quietly here, aside from the usual rash of decapitated mail boxes, which the simple-minded ones do every year. One would wonder why the area, which seems harder hit in this way than other district, could not be policed till the feeble-minded revellers are caught. Discarded hydro poles were also dragged across one part of the road on Thursday night and caused one young man to damage a tire and rim on his car when he drove onto them when breaking over a small hill. One night's devilment does not seem to be enough. It seems a shame to think that most of the mail-box owners in this area have to hide the boxes to keep them from being destroyed.

Mrs. Verney Heath, Stirling, spent the week end with her son, Ralph, his wife and Carol.

Fred Spencer and his friends, Fred Schurk, both of Ryerson Tech., Toronto, spent the week end with Fred's parents, Mr. and Mrs. Wilfred Spencer. Mr. and Mrs. Gary Lounsbury of Peterborough, were also week end guests.

Lorne Johnston Appointed Head of Program Branch

No matter how good an educational system is — in the 1960's it cannot stand still.

It was this pressing reality that convinced the Department of Education to reorganize in the Spring of 1965.

One result of reorganization was the creation of a new branch — the Program Branch, which would be responsible for the complete instruction program and related administration program in Ontario. It replaced the former Elementary School Branch, Secondary School Branch, Curriculum and Textbooks Branch, Registrar's Branch and specialist units such as physical education, art and music.

The old branches were reformed as three divisions: the Registrar's Division, Curriculum Division and Supervision Division. The last of these three involved the combination of the Elementary and Secondary School Branches.

A single director, Lorne Johnston, was appointed head of the Program Branch.

Mr. Johnston is a graduate of Queen's University and OCE. He taught for ten years in elementary and secondary schools, and was a secondary school principal for 11 years.

Mr. Johnston joined the Department in 1959. In 1963, he studied manpower training and development in England, West Germany, Sweden and Russia.

Prior to his appointment as Director of the Program Branch, in January 1965, Mr. Johnston was Superintendent of the Technological and Trades Training Branch, and Provincial Director of Canadian Vocational Training.

Once the Program Branch had been formed, Mr. Johnston began implementing the administrative decentralizing program — five new areas were created this summer at the Lakehead, Sudbury, North Bay, London and Kitchener-Waterloo.

"We expect to form more areas in the future," said Mr. Johnston.

The decentralization of administration and supervisory control will provide a faster and more accessible system for consultation between local authorities and Department Officials, and for the implementation of Department objectives. Prior to this decentralization, local problems were referred to the Department headquarters at Toronto for decisions.

"This slower and less efficient process is outdated by the educational pressures of the 1960's," said Mr. Johnston.

The move towards decentralization was eased by the new structure of the Program Branch which combined elementary and secondary inspectors and supervisors, both in the field and in the Department headquarters.

"This integration will strengthen the concept that both elementary and secondary education are part of a continuing process," said Mr. Johnston.

Mr. Johnston received his public school education at Rawdon Township schools and is a graduate of Stirling High School.

Chatterton W.I.

The October meeting of Chatterton Women's Institute was held at the home of Mrs. Cyril Gardner with a goodly number of members present.

Mrs. William Dickson gave a reading. Everyone joined in singing "The Maple Leaf Forever".

Mrs. Gerald Irvine introduced the guest speaker, Mrs. Leslie Finkle, District President. She spoke on

"How Do You Rate As an Institute Member". The theme is Home and Country. Home is a work that means fond memories of our families and if we do a successful job to have a happy home, we will be helpful to our community. She suggested that the members try to have interesting meetings so as to interest new members. Mrs. Berson Mitts thanked Mrs. Finkle for her very interesting address.

Leslie and Nicki Gardner sang a selection and then were joined by their mother in "Now the Day is Over", in three-part harmony. Mrs. Lorne Reid gave a short talk on her recent trip to the States.

Several poems were read and a contest was enjoyed by all. A dainty lunch was served.

Canada Faces Minority Gov't.

For the fourth time in eight years, Canada faces the prospect of minority government.

Nobody is firmly predicting how long it will last, or how well it will work this time.

Minority party leaders T. C. Douglas of the New Democratic Party and Robert Thompson of the Social Credit say it could last and work well. But in their post-election comments Monday they were deeply divided on the sort of policies they would support.

Prime Minister Pearson, who may command 128 or so seats in the 265-seat House, declined any prediction beyond noting he is still prime minister and that the Liberal government intends to carry on.

LESTER B. PEARSON

Opposition Leader J. Diefenbaker, with about 100 supporters, gave every indication of keeping his drive to regain the office of prime minister, in line with his stated ambition of becoming the third Canadian prime minister to return to the office after a defeat.

Commencement

ed in the programme. The school principal, Mr. R. T. Hayes, urging the students to make the best of themselves, reminded them that "the holder of a secondary school graduation diploma, or a secondary school honour graduation diploma, has passed an obstacle which will allow him to proceed into a career which on the whole will be more remunerative and satisfying than that for those who were unable for one reason or another to achieve this standard." Later, Mr. James Johnston, in his remarks as chairman of the board, referred to knowledge as a mighty power. He said that it was a power which creates its own opportunity, and that if students increase their knowledge, nothing can hold them back. He cautioned students that they must be willing to be shown the way, and that they must open their minds and apply themselves.

Mrs. W. J. Morton represented the Hon. J. R. Cooke Chapter, I.O.D.E., and presented a bursary to Miss Audrey Stapley and a prize to Miss Cheryl Conley.

Mr. Robert Cooke had the pleasant task of presenting to Doug Potts and Ken Smith, of the Senior Football Team, the Centre Hastings Trophy that was won only the day before by a long-wished-for victory over Tweed. This trophy was last held by Stirling in 1953. After accepting the trophy, Ken Smith paid tribute to the enthusiasm and skill of his team-mates and the good coaching of Mr. Gordon Smith. The popular team was brought

to the platform to receive a round of applause.

The audience enjoyed the three songs by the Girls' Choir, for a second year under the leadership of Don Armstrong. This young conductor led his large choir in three popular numbers nicely blended and showing vigorous tonal quality. Anne Watson provided the accompaniment.

A revived interest in public speaking in the school was shown in the presentation of a plaque by an anonymous donor. This year's winners were Susan West and Larry Jeffs, and have the honour of being the first to have their names on the new plaque. Susan West, in addition, received the distinction of being the winner of the John L. Good Trophy for the best all-round student in the senior classes.

Susan West, Doug Potts and Ken Smith received the awards for the greatest contribution to the athletic programme of the school during the year.

Athletic Letter

And Star

A few students qualified for the coveted Athletic Letter and Star. These were Marion Camm, Jayne Doran, Lynda Wagner, Susan West and Bonnie Visser for the girls, and Fred McAdam, Ross McIntosh, Douglas Potts, Barry and Dave Short for the boys.

The highest academic awards for the year went to Dennis Heasman, Marion Camm, Paul Bailey, Betty Oosting and Anne Watson. Shields were presented to each of these students. They also won board scholarships for first place standing in Grades 13, 12, 11, 10 and 9 respectively. Other board scholarships went to Janet Johnston, Suzanne Bailey, week's issue.

Ida Mae Bailey, Larry Jeffs, Cheryl Stapley and Barbara McPaul. Having received the highest standing on eight papers in the 1965 Grade 13 examinations, Janet Johnston was the recipient of the Hon. J. R. Cooke Scholarship.

Miss Sharon Matthews assisted at the piano during the programme. The curtain and lights were looked after by Jim Thain, John Murray, and Allan Morton. Brian Cooke was ticket seller, and Harold Thain supervised the ushers who were Milt Boyd, Don Carr, Rick Embury, Bill Potter and Fred McAdam. The public address system was set up by Jeff Mouck, Ross McIntosh and Gary Mayell. Mr. Nix Flindall took many pictures of the event to help the students in their yearbook project.

Mrs. Gordon W. Bailey and Mr. Wendell Camm, in arranging the Commencement, planned a reception in honour of the guest speaker. This was held in the Home Economics room in the school. The Grade 12 graduates of last year were welcomed along with members of the board and a few other guests. The Student Council, under Ted Reid's leadership, sponsored a very popular "Graduates' Dance" in the gymnasium. The Music Makers provided the music. The Grade 12 students had decorated the gym with the school colours and various symbols of school life, with an over-sized mortar board as the centre of interest above the dance floor. Nancy and Susan Desrochers capably supervised refreshments for the dancers.

List of individual awards may be found on page six of this issue. The valedictory address by Miss Janet Johnston will be published in next week's issue.

FIRE DESTROYS BARN THURSDAY

A frame barn owned by John Klompaker, of Stirling, which was converted a few years ago to a henhouse, was destroyed by fire Thursday evening.

The henhouse was empty at the time of the blaze but firemen were able to save a pony and some pigs from the basement of the barn before the building was destroyed.

Stirling Fire Chief Graham Mouch said the cause of the blaze was unknown and that the loss had not yet been determined.

Stirling and Rawdon Fire Departments answered the alarm and were able to save a nearby new henhouse and other buildings at the edge of the village.

Mr. Klompaker had ordered several thousand young chicks and these were to have been delivered to the barn the next day.

Laurel Rebekah Lodge No. 211 Observes 45th Anniversary

Birthday Party Held Tuesday Evening, November 9 — Enjoy Turkey Banquet

On Tuesday evening, November 9th, approximately 90 Rebekah members attended the banquet in the I.O.O.F. dining hall on Charlotte St. on the occasion of the 45th Birthday Anniversary of Laurel Rebekah Lodge, No. 211.

Mount Pleasant United Church Women served a hot-turkey dinner with all the trimmings. Sister Verna Woodbeck said Grace, followed by the singing of the Queen.

The tables were centred with pink candles in flower bedecked holders and the decorated birthday cake graced the head table.

Junior Past Noble Grand Sister Helen Hulin, conducted the cake ceremony. The candles were lit by the candidate who joined during her year of office, Sis. Joan Brownson and the District Deputy President, Sister Joyce Fisher, Thomasburg, extinguished them.

Sister Dorothy McCaughen paid tribute to the Past Noble Grands Club and Sister Mary Hulin gave the reply. The J.P.N.G. read a list of 45 ladies who have served as Noble Grands during the past 45 years; also the list of ten District Deputy Presidents who have held office since the institution of Laurel Lodge. An appropriate poem was read and a period of silence observed for all the departed sisters and brothers.

Presentation of Gift

At this time J.P.N.G. Sister Helen Hulin presented a gift to Laurel Rebekah Lodge, and this was accepted by Noble Grand Sister Lillian Johnson. The gift of two pairs of cut glass salt and peppers will be used on the head table for special occasions.

The cake was cut and served with ice cream by the caterers. The hostess of the party, Sister Helen Hulin, voiced thanks to the Mount Pleasant ladies and Mrs. Herbert Smith replied.

Regular Meeting of Lodge

The regular lodge meeting followed and at this time two visitors from Thomasburg Rebekah Lodge were welcomed and brought greetings.

D.D.P. Sis. Joyce Fisher gave a brief message, expressing thanks for the invitation and extending congratulations on the achievement of 45 years of lodge activity. She closed with an appropriate poem.

Programme

At the close of lodge, Sister Florence MacMullen presided over the programme which she had arranged. She opened with a selection on "Remembrance," written by the late Louise Towriss and closed with an appropriate poem stressing that success is failure turned inside out.

Sister Muriel Sharp contributed a piano solo. Sister Annie Warren, with Sister Mildred Morrow as accompanist, rendered two vocal selections and conducted the assembly singing.

Humorous Drama

A humorous drama was presented by thirteen sisters, under the direction of Sister Florence MacMullen.

Valedictory Address By Miss Janet Johnston At H.S. Commencement

It gives me great pleasure to have been given the opportunity and privilege of representing my class of 1964-65 at this Commencement tonight. No doubt this evening brings to many of our minds fond memories and experiences shared at Stirling-Rawdon District High School. It seems almost impossible that we, just a few short years ago embarked upon a voyage of such importance. A voyage which presented many barriers to overcome, failures, but lasting and abundant rewards, a voyage which destined our future, our life.

On looking over the years at Stirling-Rawdon, a mixture of thoughts is brought to my mind. Who can forget the rousing pep rallies preceding the football games; Mr. Curtis and the

week of the magazine campaign; the Christmas party with greetings from jolly old Saint Nick himself; the dances on Friday nights?

Although it will be many a year before these experiences pass from our minds, I doubt that these will be the lasting impressions of our school life at Stirling-Rawdon. I suspect that there will be something else; something that is a little harder to grasp, to put into words. I wonder if we will remember the endless hours spent in preparation of work, work designed to make us better students, to prepare us for a life in a complex and rapidly changing world. I wonder if we will remember and appreciate the extra assistance and guidance that was always available to us, or if we will remember the encouragement given to us when we greatly needed it. To the teachers throughout our school lives, we will always be eternally indebted.

We will also remember the help, the encouragement and the many sacrifices of our parents. Without their inspiration, without their guidance we would never have been able to receive our diplomas here this evening.

But with this, the question is raised as to why such importance was placed upon our school education. What did these people hope that we would gain from it?

It is a common misconception that all educational experience is gained in the schools and classrooms. Many people consider education complete when school is left. They do not realize that education, in the broader sense, is a process which begins at birth and continues through life. The work of the school does not constitute the total educative process. It would be more accurate if we stated that schools were concerned with the individual's personality and the development of whatever potentialities he may possess. The person influenced by classroom environment should grow physically, socially, emotionally, intellectually and spiritually.

During our years spent in school, we should be able to acquire some of the necessary functional tools for getting along in life. The widening of our mental perspective and the maturing of our emotional life enable us to gain some background for understanding and adjusting to the changing conditions of life which we will inevitably have to face. The formal and informal work of the classroom also should add breadth, depth and meaning to life's experiences. An American once said, "There is only one subject matter for education and that is life in all its manifestations". Life can be a richer and a fuller experience when we learn to appreciate what is beautiful and what is fine. When we learn to believe in the power of truth, the value of honesty, and the need for loyalty when we learn to respect others' rights and privileges. Our lives can become increasingly purposeful when we acknowledge responsibilities and when we understand and appreciate our national heritage and cherish it. The recogni-

tion of the duties, responsibilities, and privileges of adult citizenship begins with the acceptance of duties and responsibilities as a pupil in a classroom. We need to learn that one of the greatest benefits of education is the increased ability which it gives to the individual to better serve his fellowman, his country and his God. Thank you, Janet Johnston, Valedictorian

Spring Brook U.C.W.

The November meeting of the Spring Brook U.C.W. was held in the Church Hall with twenty-two members present. The president Mrs. M. Mason opened the meeting with an appropriate verse. The devotional period was conducted by Mrs. H. Haslett, using the theme "perfect trust and perfect peace".

The Bible Study period was led by Mrs. G. McPaul on Saul the Persecutor, who became Paul the Apostle, the greatest transformation in the history of the world. Conversion

means turning from something to something, like Paul. Our encounter with God should turn our pride to lowliness, our selfishness to sacrifice and like Paul, we should ask "Lord, what wilt Thou have me do?" Those taking part in the Scripture reading were Mrs. S. Downer, Mrs. G. Broadworth, Mrs. H. Haslett and Mrs. C. Burkitt.

The theme, "Being a Christian in Brazil", was given by Mrs. J. Thompson.

The secretary, Mrs. M. Bateman, read the minutes and correspondence. A card was signed for a member,

Mrs. C. Sine, who has been ill. Mrs. George Thompson gave a report from the Fred Victor Mission on sales sent. She also reported on old nylon sent and on two lbs. of stamps sent to Korea.

The chairman of each committee handed in their reports. The nominating committee, under the leadership of Mrs. K. Thompson, brought in the new slate of officers. They will be installed at the December meeting. Mrs. G. Apps presided.

The tables for the Church Hall have arrived. The treasurer, Mrs. G. Broadworth reported on the financial success of the anniversary supper and a sale at Hards. The meeting closed with prayer by Mr. G. Apps. The hostess group served refreshments.

Presentation Party For Mr. and Mrs. Kenneth Sager

On Saturday evening, November 6th, approximately seventy people gathered in River Valley School House to honour Mr. and Mrs. Kenneth Sager on their recent marriage.

The bride was the former Karen Ann Morgan, of Udney, Ontario. They arrived at the home of his parents, Mr. and Mrs. John Sager on Friday, following a honeymoon trip to Texas and other points.

Mr. Glenn Morrow was chairman and spoke briefly. Jack Bush and Mrs. Philip Conley conducted the singing. Selections were read by Mrs. Kenneth Morrow and Mrs. Percy MacMullen. Miss Marilyn Conley gave a piano solo. Vocal trios were contributed by Jack Bush and daughters, Jane and Susan. Kenneth Morrow, drum, Stewart McCarton, violin, and Mrs. Philip Conley, piano, delighted with numerous musical numbers and at the close of the programme, they provided dance music.

Kenneth Sager gave a commentary with slides, depicting many colourful and scenic pictures of their holiday trip. The chairman voiced thanks to Kenneth for his kindness in sharing their trip with the audience.

Mrs. Jack Bush conducted a humorous game which created a bit of fun.

Presentation

Kenneth and Karen were given seats of honour and an appreciative address was read by Mrs. Ernest Carr. On behalf of River Valley friends and neighbours, they were presented with a five-piece bridge set and a floral table centrepiece, by Kenneth Morrow, J. R. Donohoe and Hadley

Richardson.

Miss Marilyn Conley read a second address on behalf of the charivari group and Philip Conley and Larry Richardson made the presentation of a pole lamp and a satin cushion.

Kenneth and Karen voted grateful thanks for the party in their honour and the presentations and invited one and all to visit them in their home at Kitchener.

The groom's father, John Sager, also voiced appreciation to all in attendance, after which the committee in charge served refreshments.

Charivari Party

On Friday evening, November 5th, thirty neighbours and friends gathered at the home of Mr. and Mrs. John Sager and tendered the newlyweds a charivari party. Later the group spent a social hour with refreshments.

Mt. Pleasant United Church Observes 94th Anniversary

(By Mrs. Percy MacMullen)

On Sunday morning, November 7th, Mount Pleasant United Church on the Rawdon circuit was filled to capacity with many former worshippers and friends in attendance and there was also a large audience at the evening service.

Three floral arrangements of mauve and white "mums were placed by their families in memory of Mrs. Ernest White and Messrs. Donald Knight and Burton Wrightman.

Mrs. Mac Sharp presided at the console of the organ and provided suitable music. The full Senior choir rendered two anthems, with the solo parts taken by Mrs. Marguerite McMullen and Mrs. W. C. Cox. The choir was assisted by Mr. Howard Hutcheon, of Stirling.

The pastor, Rev. W. C. Cox, B.A., B.D., gave two inspirational messages. In the morning he spoke on "The Church and You" and outlined what is required of each individual member.

In the evening his theme was "How Long Has It Been" and paid tribute to the pioneers who built the church in 1871 and to those who had carried on the work down through the years. He challenged the 1965 membership to carry on this glorious heritage.

The ushers were Bert Sharp, Howard Jeffs, Allen Wrightman, Larry Jeffs, Kenneth Smith and Doug Potts.

At the evening service, the Junior choir occupied the choir loft and rendered a selection with Mrs. Kenneth Weaver giving the piano accompaniment. Mrs. W. C. Cox and Misses Sally and Judith McAdam contributed a vocal trio.

tan Corner in the Scott Mission. Mrs. Bert Jones and Mrs. Grant Richardson favoured with a duet, with Mrs. Harold West at the piano. Mrs. Lloyd Jones, programme convenor for Unit 3, very ably introduced the guest speaker for the evening, Mrs. Harry Pierson, Wellington, representing Supply and Social Assistance.

Mrs. Pierson's message was entitled "The Open Door". First, she had us look into World Missions. There are many doors open to us. The Christian today must go out into the world to do and take his place, for there is a great need to deepen the spiritual side of life. If we want peace, we must work in harmony with the hungry of the world. The world is our neighbourhood and it needs our help.

Our neighbours are whoever needs our help. Mrs. Pierson named many instances of where we are needed in home missions; race problems, living conditions of some of our own people, unemployment, Redemptive Homes, Victor Mission, Children's Homes, Scott Mission, and others. Our deeds are mere pictures of beliefs. We must know what we believe and do something about it.

Mrs. John Muhierson very capably thanked Mrs. Pierson. The meeting closed with prayer by Mrs. Gilbert Finkle and a social half hour was spent over Brazilian Fruit Cup, crackers and tea, served by Unit 1.

Thanks to all for the lovely meeting was expressed by Mrs. Jack McCaughen.

In Memoriam

LAKE — In loving memory of a dear son and brother, Robert Lake, who passed away November 16, 1960. Memories are treasures no one can steal. Death is a heartache no one can heal. Some may forget you, now you are gone. But we still remember, no matter how long. — Lovingly remembered by the Family. 45-1p

TOWNS — In loving memory of our dear son, Donald Richard Towns, who passed away suddenly one year ago, November 21st, 1964.

In Stirling's hillside cemetery Where the breezes softly blow, Lies the son we loved so dearly That we lost one year ago. Swiftly and silently came the call, His sudden death shocked us all. The blow was hard, the shock severe. To part with one we loved so dear, It broke our hearts when you had gone.

But you did not go alone, For part of us went with you The day God called you home.

— Sadly missed and lovingly remembered by Mom and Dad. 45-1p

TOWNS — In loving memory of a dear husband, Donald Richard Towns, who passed away one year ago, November 21st, 1964.

You were one of the best, For life is not the same to me, Since you were called to rest. If I had all the world to give, I'd give it, yes and more,

To hear your voice and see your smile And greet you at the door.

For each time I look at your picture, You seem to smile and say,

"Don't grieve, I'm only sleeping. We'll meet again some day."

So I'll be brave, dear Don, And pray to God each day

For God knows how much I miss you, He counts each prayer I say.

And when He calls me home to you, Your smile will guide the way.

— Sadly missed and lovingly remembered by loving wife Linda. 45-1p

CARD OF THANKS

My heartfelt appreciation to all my dear friends who helped to make my days so much shorter with your many beautiful cards, flowers, gifts and letters and personal visits. A special thanks also to Rev. R. Donnan for his welcome visits both in the hospital and since my return home.

MOVIES AVAILABLE FOR CLUBS

I'd like to remind Stirling Area church and social groups and other clubs and organizations that over 60 entertaining and educational films are available from the Bell, free of charge, for showings to your members. All are of course professionally done — many in colour — and there are bound to be several which will have particular interest for your group. One favourite is this year's main addition to the Company's film-lending library — a fascinating 20-minute film called "Communication." It shows how human beings have communicated with each other down through the ages — from the caves of pre-history through Egypt, Greece and Rome, right up to modern day Canada. The colour is beautiful, and the result is actually emotional. Incidentally, the film was produced in Canada, especially for the Bell, and certainly shows the tremendous talent this country has for the movie-making art.

A free film catalogue which describes the many films available from the Company can be had upon request. If your entertainment committee does not already have one, they need only call our Business Office and we'll have one forwarded immediately.

FOR OVERSEAS CALLS AT CHRISTMAS

Reservations to make overseas calls during the extremely busy periods of December 24th to 26th, and December 31st to January 2nd, will be taken starting Monday, November 29th, at 9:00 a.m. Reservations can be made by asking the Long Distance Operator to connect you with the Overseas Operator for the desired country. The Overseas Operator will arrange the details with you.

Because of the heavy volume of calls during the two peak periods mentioned, I would recommend that if at all possible your overseas calls be placed on other days (no reservations are required). Many Canadian families have soldier or airman sons in Europe and Asia, and a call at Christmas time is especially important to these boys.

THAT TIME AGAIN!

If you want to take advantage of Christmas this year to give your family something that is really useful all year round, why not order an extension telephone for the kitchen, master bedroom, or workshop?

The theme, "The Christian Calling" was chosen that those who attended might have the opportunity of preparing for the year ahead. The morning, afternoon and evening programs were planned. The mornings were devoted to Bible study. In the afternoon, leaders of children and teenage girls, members and officers of adult groups, Presbyterials and Synodicals met with National and Regional Secretaries to consider how best to serve in leadership of local and regional groups and to learn of materials available for us.

In the evening, everyone considered how Christians respond to the call to missions through their representative groups engaged in missions at home and overseas.

Village of Stirling Nomination Meeting Set For Monday Night

Adjacent Townships Will Hold Their Nominations on Friday of This Week

The most important event in the interests of Stirling's welfare is the Annual Nomination Meeting which will be held next Monday, November 29th, at the Stirling Community Hall. Nominations will take place from 7 to 8 p.m., followed by the General Meeting.

This year, there will be five vacancies to fill on Village Council (Reeve and four Councillors), one on the Public Utilities Commission and three on the Public School Board. Every taxpayer is directly affected by what their elected representatives do after they get in, so careful thought in choice is the duty of every voter.

In order to nominate a person and have it accepted by the chairman of the nominations meeting, all proposed candidates must give their assent in writing before nomination if they are unable to be at the meeting, and by verbal consent if he or she is present.

The nomination meeting is actually the annual meeting of the municipality. As a citizen you are a shareholder (if you are an owner or tenant or the wife of an owner or tenant) and you should consider it your duty and your privilege to be present to hear the reports and to take part in the selection of an intelligent and honest group of nominees for the various boards.

Do not nominate persons whose main reason for running is because they have an axe to grind. If they are the type who will remember their oath of office, if they should be elected, then they won't find a grindstone. Their oath commits them to serve the best interests of the whole community, not only a certain part of it, or a few people who may have selfish reasons for anticipating favours.

Every Councillor, School Trustee and Public Utilities Commissioner, who puts forth his best effort deserves a hearty thank you from his fellow citizens.

Too few of us know enough about the problems which concern these elected representatives in handling our affairs. Attendance at the annual nomination meeting is one good way of showing your appreciation of their services. It also affords an opportunity to ask questions — not an unusual occurrence at a meeting of shareholders.

Why not come out on Monday, November 29th. Ask your self why you should not run for an office. If you can't think of some good reasons why you should not be a candidate for Town Council, Public Utilities Commission or Public School Board — perhaps you are one of the several persons Stirling needs.

If an election is required in the (Continued on Page Eight)

Mrs. David Duffin convened the tea room and many were counting the calories as they feasted upon the various desserts. COMPLETE 25-MILE CROSS-COUNTRY WALK RECENTLY

Seven of eleven Stirling-Rawdon District High School students and teachers completed a 25-mile cross-country walk recently, despite pessimistic forecasts.

First to finish the gruelling test was student Fred McAdam. He covered the total course in less than five hours, heading a list of four male students, one girl and two teachers.

Among the eleven starters were three determined girls, the High School principal and two British members of staff.

The course began with a brisk walk from the school to Oak Lake, then continued cross country to Wallbridge where a half-hour lunch break was taken. The competitors travelled along a paved road from there to Frankford, battling a strong headwind. However the final stretch, from Frankford back to Stirling, was completed in pleasantly warm sunshine.

Blisters and creaking joints were the only reported ill effects of the journey.

Mrs. W. J. Whitty Breaks Hip

Skating This Week-End

Arena Ice Making Plant Was Turned On Saturday Afternoon of Last Week

Good news is in store for skaters, hockey players and curlers of Stirling and district. If things go according to schedule there should be skating at the Stirling-District Centennial Arena this coming week end. On Saturday afternoon last, the artificial ice making equipment was turned on, and according to Harold Wells, everything is working very satisfactorily. Monday night the local Fire Department gave the ice surface the first soaking with their fog nozzles and since then flooding operations have been continued by Stan Williams and Doug Campbell.

Concrete Poured Friday

Friday afternoon a work party was held and concrete was poured over the iron rods as recommended by the engineers to tie the building in. This will be the only major project for this season. Plans are already being made to renovate the entire front of the arena next summer, which will greatly improve the canten area, dressing rooms and wash rooms.

NOTHING NEW ABOUT POLLUTION

Current alarm about pollution of our lakes and rivers is resulting in a slow but determined effort to clean up the mess.

And in this respect modern society is a good deal better off than our forefathers, although one would never know it to hear some people, who seem to think pollution is a modern phenomenon, peculiar to the twentieth century.

Nobody will condone present pollution, or the fact that modern chemicals like detergents are adding to the problems of pollution control.

But things may have been even worse in the old days.

Historians' accounts of London during the 18th century indicate the Thames River was one of the greatest open sewers of all time. Every pint of raw sewage from the vast sprawling city was dumped into it, and its banks were lined with privies overhanging the water at every convenient space.

"Everyone for whom it was handy hurled into it everything for which there was no further use, from kitchen garbage and bedroom slops to bodies," writes Bernard Ash in his "Golden City".

At the same time, down at London Bridge, clanking water wheels sucked up the poisonous liquid and distributed it in pipes through the city, there being no other water supply.

The Thames has been cleaned up since those days, and so have many of our previously polluted Canadian waterways. And it doesn't hurt to remember that pollution is not a new problem, but one that follows population density in any age.

The idea that democracy is the best political system is something that still has to be sold to three-quarters of the people in the world. There isn't much evidence they are clamoring to buy.

Public opinion may rule the county. But you'd never know it by the way people talk about their own elected representatives.

St. Mark's W.A.

Again as in times past, Mrs. Heath most hospitably opened her home for the November meeting of St. Mark's W.A. (Anglican), Bonarlaw.

Mrs. Barlow, President, opened the meeting with the hymn, "O God Our Help In Ages Past. Rev. Stewart conducted the devotional exercises. The Bible reading was from Revelations 7. There were 13 members present.

The Little Helpers and their parents were entertained in the Sunday School rooms of St. Mark's Church.

Mrs. Prest, their leader, deserves credit for her interest in this work.

It was announced that our share for the deanery project of educating an African child had been sent. Final plans were made for catering to the deanery laymen's and clergymen's banquet.

Mrs. Prest read a paper on Sunday Schools taken from the Chatelaine. She also read a poem, "Why Wear A Poppy." Rev. Stewart closed the meeting. The hostess served a delicious lunch and a social half hour was spent.

Hoards Softball Team Honoured At Banquet

(Campbellford Herald)

Recently the annual presentation banquet sponsored at the season's close by the Seymour Softball League, took place in George's Restaurant, Centre Street, Campbellford. A large gathering of young men from the various teams in the rural league, sat down to a delicious turkey dinner served by the staff.

Presiding at the head table was the league's president, Mel McKeown, who is also manager of the Burnbrae team, the 1963 and 1964 winners, who this year were finalists but lost the trophy to the fine Hoards team.

After the banquet hour, the president spoke briefly, stating that the season had been a success in every way. Reports were presented by the secretary-treasurer, Gerald Barnum.

The Campbellford Herald Trophy was presented to the Hoards' team by Ken Kingston.

It was announced at this time that the old Herald trophy was being presented for the last time, as it was being retired by the donors and a new Herald Trophy, more elaborate in design, would be presented to the Seymour Softball League for annual competition commencing next season.

The presentation was made jointly to team captain and catcher Lyle Couch of Hoards and the team's ace pitcher, Howard Jeffs. This battery proved to be the best in town and country both, as the Seymour winners defeated the town champs, Bertrand Motors, in a post-season series for the Campbellford Kinsmen Club's Chas. L. Holmes Memorial Plaque again this year.

The pitching wizardry of Howard Jeffs was regarded as the key to his team's total success this year. The Charles Holmes Memorial Plaque was presented to team captain Lyle Couch by Keith Stephens.

A guest at the banquet was the head umpire, Vincent (Chesty) Herrington, whose efforts and sacrifices were recognized in a few well-chosen words by Bill Linn, a member of the executive. The captain of the Hoards team, Lyle Couch, thanked his assistant captain, Frank Bailey, who had acted on his behalf on numerous occasions when he himself could not attend games.

Members of Hoards Team

Players of the Hoard's team were presented with individual trophies as follows:

Howard Jeffs p, Lyle Couch c, Fred McAdam 1b, Doug Potts 2b, Frank Bailey 3b, Ken McConnell ss, Dick Thompson If, Chris Brown cf, Ted (Casey) Jones rf, alternates, Tom Thompson, Joe Kerr, Larry Parr, Ralph Parr and Jim Johnson.

End of Term

The two little girls were discussing their families and one asked: "Why does your grandfather read the Bible so much?"

"I think," said the other after a moment, "that he's cramming for the finals."

Industrial and Cost Accountants

On November 15, 1965, the Bay of Quinte Chapter of the Society of Industrial and Cost Accountants held its monthly meeting at the Quinte Hotel.

The Chairman Mrs. Marg Bostak of Elaine Footwear, Stirling, welcomed the students to Students' Night.

The Chairman presented Miss Dawn Payne of B.C.I. & V.S. with a scholarship for attaining the highest commercial marks in the Bay of Quinte Region.

Mrs. Bostak then introduced the speaker of the evening, Mr. J. C. Garrett Principal of Trenton High School. Mr. Garrett presented a very interesting talk on education and today's youth. Mr. Stan Lucas thanked the speaker and the chairman added her thanks.

Afternoon Unit St. Paul's U.C.W.

The afternoon unit of St. Paul's U.C.W. met on Tuesday the 16th. Because of inclement weather the attendance was below average.

Mrs. Wells welcomed the ladies and gave as an introduction a monologue based on the hymn "Tell me the old old story," with soft piano accompaniment. This was most effective.

Mrs. H. Waite was in charge of the devotional period and her theme was courage. Mrs. O. Stapley read the scripture lesson, Mrs. Lansing the meditation. Mrs. Harold West sang a solo. Mrs. Waite offered prayer. Following the hymn, "What a friend we have in Jesus," the offering was gathered by Mrs. Macklin and Mrs. Richardson and was dedicated.

A chapter from the study book, "God in History," was introduced by Mrs. Macklin and dealt with fully by Mrs. Richardson, going back some 1,400 years B.C. The Christian faith cannot get away from history. Jesus came in the fullness of time. For Him the history of Israel was His history. We cannot escape from the effect of history. Past people and events mould our life today. The experiences of great prophets were not mere ideas. They were revelations of God's purpose in man's historic situations.

The benediction brought this interesting meeting to a close. A social half hour was enjoyed over a cup of tea. Mrs. Elliott voiced the thanks of the ladies to Mrs. Waite and her group.

Carmel U.C.W.

The November meeting of Carmel U.C.W. was held at the home of Mrs. Vernon Harry on Thursday afternoon with an attendance of 15 members.

Mrs. Douglas Pyear, 1st Vice President, opened with a Remembrance poem. Mrs. Arthur Pyear read the scripture lesson. Mrs. Joe Grills read the 14th chapter of the study book, "God and His Purpose." Mrs. Gerald Fraser led the discussion. Mrs. Ron White dealt with a chapter on "Brazil" and read a letter from a Canadian missionary getting settled at his work there.

The hostess served lunch and Mrs. Ray Hagerman expressed appreciation.

R. Valley Dreamers

The seventh meeting of the River Valley Dreamers was held at the School House. Roll call was answered by "What I learned from this project."

An afternoon tea was held at 2.30 o'clock. Mothers and grandmothers present for the tea included Mrs. Ron Terwilliger, Mrs. Roy Bush, Mrs. Glenn Bush, Mrs. C. Dunham, Mrs. Clayton Thompson, Mrs. Jack Bush, Mrs. Jack Donohoe, Mrs. Tom Zudema, Mrs. Jack Sager, Mrs. Roy Tucker, Mrs. Claud Tucker, Mrs. Ernest Carr and Mrs. Cecil Harris.

The afternoon tea opened with the 4-H Pledge. Each girl spoke on what she had learned from the project. Connie Tucker read the commentary. The leaders spoke briefly.

The girls prepared the sandwiches. Mrs. Glenn Bush served the tea.

HASTINGS COUNTY 4-H AWARDS' NIGHT

On Friday, November 26th, Hastings County Awards' Night will be held at Madoc. This is the event of the year in 4-H work when final results are announced, prize money and special awards are presented.

The guest speaker on this occasion will be Lyall MacLachlan, former Associate Agricultural Representative for the county. He left on leave-of-absence in September, 1965, to begin his studies for his Masters Degree in Farm Management at the University of Michigan.

Club Leaders, 4-H members and parents will be making special presentation to Lyall in recognition of his work in the junior programme of Hastings County. The results of his programme with the juniors can be readily seen amongst the many recognitions and awards which will be made to the members on this their final night of the year.

ROYAL WINTER FAIR JUDGING TEAM

Among the groups being given special recognition at the Hastings County Awards' Night will be the Hastings County Judging Team that competed in the 1965 Royal Agricultural Winter Fair Inter-County Livestock Judging Competition.

The three members of the team are all active 4-H members of 1965. As senior 4-H's they achieved a considerable success by placing third in the overall competition. Of considerable importance was the fact that the team won the Dairy Cattle Judging trophy, one of the main parts of the overall competition.

Members of the team were Kalvin Sharp, R.R. 3 Stirling; Robert Lord, R.R. 1 Marmora, and Ted Reid, R.R. 2

In addition to team honours, Robert Bird placed fourth in the individual honours in the total competition.

On Saturday evening, November 20, 1965 a large number of friends and neighbours gathered in the Minto Church Hall to honour Mr. and Mrs. Lloyd Jenkins of R.R. 1 Harold on their recent marriage and to welcome Mr. Jenkins to the community.

The National Anthem opened the entertainment for the evening, followed by readings by Mrs. Fred Lebow and Mrs. Ev. Sine.

Mr. John Courtney acted as chairman and several of the 8th line neighbours delighted the well wishers with a mock wedding. Those participating were Earl Ketchen (bride), Mrs. C. Carter (groom), Mrs. Everett Sine (bridesmaid), Miss Gwen Ray (best man), Everett Sine (father of the bride), Kathy Ketchen and Annie Courtney (flower girls), Klinton Ketchen (objector), Mrs. Ed Colden (soloist), Mrs. E. Ketchen (preacher).

Mrs. Cecil Carter on behalf of the Community read a befitting address, to which Mr. and Mrs. Jenkins capably replied thanking everyone for the lovely gift of a dusty rose rocker, presented to them.

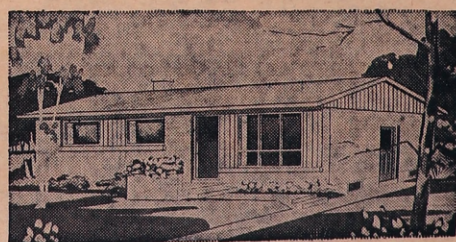

Jolly good fellows was heartily sung and lunch, and a social hour closed the festivities.

St. Paul's United Holds Visitation

Ministry is the task of the whole Church. All of God's people are ministers. The Ministry of the Church means basically the service which the whole Church is performing in and for the world. The fellowship of the Church is a partnership in ministry. Whether we are clergymen or laymen, we are all involved in the same mission. In partnership with one another and with God, we seek to carry out Our Lord's commission, which

is to preach the Gospel to the whole world. To do this involves us all in the Church's total programme. It also means that as individual Christians in our families, in our business, and in our community life, where the world sees Christianity in action, we must be willing to live by the principles of Christ.

In accordance with these principles and in witness to Christ, forty-two visitors made up of elders and stewards visited the members and adherents of St. Paul's United Church on Sunday, November 21st. The visitation was to call people to total com-
